Dear Parents,

Lake George Elementary School is proud to announce the return of an awesome summer learning opportunity for all students. The **Lake George Elementary School STEM Camp** consists of a week-long learning experience which integrates STEM, Character Education and fun!

LGES STEM Camp will run Monday - Friday, from August 5th - August 9th. **The hours will be 8-4 Monday - Thursday and 8 - 12 on Friday.** Campers will need to provide their own lunch and snacks each day. Campers are encouraged to wear comfortable clothing and sneakers, as many activities will take place outdoors.

LGES STEM Camp will be offered for all students entering *2nd Grade - 7th Grade*, at a cost of **\$150**. One of our goals for this program is to offer an enhanced camp, at a low cost. We are looking forward to a great learning experience!
