

Join the LG Warriors Booster Club Today!!!

We need your help to insure that this worthwhile organization will continue to help provide a great athletic program for our students. We encourage your support by becoming a member of the organization and by providing volunteer assistance in the functions of the club. Your financial support by becoming a member of the LG Warriors Booster Club would be greatly appreciated. The purpose of the organization shall be to promote interest in the athletic program of Lake George Jr./Sr High School. The organization is interested in developing a following for the athletic teams and providing encouragement, rewards, and honors for participation in athletics. The organization will help offset teams financially with items that are not covered within the LG School Budget for matters such as tournament fees, equipment purchases, and other costs that will assist in the development of our student athletes. Any questions feel free to reach out to Kim Zilm Zilmk@lkgeorge.org or Shelley Clarke jsclarke3199@yahoo.com. Thank you!
