

Lake George Warriors Booster Club, Inc.  
381 Canada Street  
Lake George, NY 12845

August 24, 2017

The Lake George Warriors Booster Club, Inc. was formed in 2013 as a not for profit corporation registered with the State of New York and as a 501C-3 Corporation with the Federal Government. Its purpose is to support all athletic programs at Lake George Jr/Sr High School by helping provide financial assistance for special purchases and projects that will help develop our student athletes.

For the past four years the Booster club has provided funding for the annual Lake George Senior Athletic Awards Banquet. Funds provided each athlete with a celebratory banquet and a nice plaque commemorating their athletic career at Lake George. We also have awarded an annual scholarship that goes to a graduating senior who will study an athletic or medical related career in college. Through fundraising efforts, we were also able to purchase scoreboards for the Baseball, Softball, Girls Soccer, and Boys Soccer fields. We also purchase all senior flowers for the senior games as well as fund meals for the teams who earn their place in State competition.

One of our fundraising efforts is with our annual apparel sale which takes place in the fall and spring. This year the sale will be in the form of an E-Store. Details on that will be sent to you soon. The booster club also coordinates and mans all concessions for any athletic contests. We are always looking for student or parent volunteers. This is a great way for students to help out and fulfill their community service hours.

This March we are trying a new Mattress fundraiser. It will be held on March 10th in the High School Gym. Community, parents, faculty, hotel owners, coaches, students are all welcome to come & try out all the mattresses that will be on display in the gymnasium. We will have all sizes of mattresses including high end brands from major manufacturers like Simmons & Restonic with full factory warranties. The mattresses range from \$199 a set to \$2999 for a set that would typically retail in a store for \$6000. In most cases the mattresses are at a 50% savings and are delivered to your home in less than 2 weeks. If your household or **hotel** needs a mattress in the next year (and you can hold off until the spring) you can visit the school on March 10th which will help out the booster club. It's an unconventional way to raise funds but it has been extremely successful for many groups.

For the Booster Club to continue to provide for our athletes, we need people to become actively involved. Along with becoming a member (by filling out the form on the reverse of this letter) you can volunteer with the club. This June we will be electing new officers. Please consider helping out the club and the athletes at LG. It is a very rewarding experience. The only qualification you need is your willingness to support Lake George Athletics. If you aren't able to become an officer we still need volunteers for concession stands and fundraising efforts. We currently have concession sales during the football and basketball seasons and the occasional wrestling and soccer games. We would like to sell refreshments at other sporting events but need the volunteers to do so. Two events soon that require donations and volunteers are the homecoming game on September 29, 2017 and Soccer under the lights on October 6, 2017. We are seeking food donations from restaurants and need help with operations and set up for those evenings. To help please reach out to Kim Zilm, Pres. (518)312-7850 or Shelley Clarke, Treas. (518)361-8901.

Good luck to all the athletic teams this year.  
Thank you and go Warriors!!!!
