

2025-2026

Clubs, Activities & Committees

Anime Club

Adviser: Mr. Smith

Anime Club is open to all students with an interest in anime, manga, Asian culture, or art in relation to these. Our activities include group discussions, movies, and Asian crafts. Anyone is welcome to join us, and we consider all suggestions and ideas for our scheduled meetings and events made by our members. See Mr. Smith for more details.

Anti-Bullying Committee

Advisers: Mr. Mondella & Mr. Smith

A group of students committed to promoting a positive school climate. Members of the committee are advocates for creating a school free from harassment, bullying, and discrimination.

Astronomy Club

Adviser: Mr. Spath

The Astronomy Club meets monthly to discuss astronomical phenomena and events and to plan our nighttime viewing sessions. When conditions are right, we meet in the evening with telescopes to view various celestial objects. We take an annual field trip to various locations of scientific interest. See Mr. Spath for more information.

Book Club

Adviser: Mrs. Olson

Do you love to read? Are you looking for other people to discuss great books with? Do you want new ideas for titles to try? Join us for Book Club, where you will direct our discussion and reading choices. See Mrs. Olson if you are interested.

Cabaret Club

Adviser: Mr. Alecci

Cabaret Club is a fun-filled, action-packed club. If you have any interest in theater games, writing, composing, dancing, acting, singing, and/or directing, this is the club for you. We will be putting together a short cabaret of theatrical scenes and songs that we can perform, if we so choose, at the end of the year. Come to a meeting and check it out. All grades are welcome!

Chemistry Club

Adviser: Mr. Brown

Chemistry Club is a chartered member of the American Chemical Society Chemistry Club program. It is open to students in grades 9-12. In any given meeting, each of the student groups will research a particular chemical demonstration or experiment, discuss any particular safety considerations with the adviser, and then do the experiment.

Chess Club

Adviser: Mr. Alecci

Do you play chess? Would you like to learn? Then join the Chess Club! We meet monthly for food, fun, and chess, of course. New members are welcome (grades 7-12).

Drama Club

Adviser: Mr. Socolof

Drama Club is designed to support and promote our School Musical. Members gain experience in promoting, advertising, and producing live theater. Drama Club members are not necessarily actors on the stage, although many are. See Mr. Socolof or Mrs. McGrath with any questions.

Drumline

Adviser: Mr. Miller

Drumline is open to any student in grades 7-12 who would like to join. Students do not need any prior musical experience, and they do not need to know how to read music. Rehearsals are scheduled after school and some evenings as necessary. Drumline performs at home football games, girls' basketball games, all send-offs, and other celebrations as requested. Drumline is a lot of fun and a great way to show your school spirit. See Mr. Miller for more information.

Effective Schools Committee

Adviser: Mr. Alecci

The Effective Schools Committee is a club that gets involved with students, staff, and the community. It is a club for students in grades 7-12. We host the annual Talent Show, as well as sponsor various events throughout the school year.

Environmental Club

Adviser: Mr. Spath

If you want to make a difference in the World ... if you want to see a better future ... if you care about the Earth and all its inhabitants ... come join the Environmental Club. We hope to make more students and teachers aware of the small steps that can be taken to change the quality of life on Earth. Our group meets to plan ways to get awareness out to the school and community. Group activities include; Earth Day, community nights, tree planting, and recycling campaigns. See Mr. Spath for more info.

FBLA

Advisers: Mrs. Hoffman & Mrs. Breslin

FBLA stands for Future Business Leaders of America. The purpose of this club is to provide students with opportunities and leadership skills. FBLA participates in community service activities, fundraisers, and competitions. This club is open to students in grades 8-12.

Fishing Club

Advisers: Mr. Burrall & Mr. Seymour

Fishing Club is a fantastic opportunity to enjoy the outdoors. Open to all students in grades 7-12, Fishing Club allows students a chance to learn and experience all different methods of fishing. We will take several field trips throughout the year to get on the water and catch some fish!

French Club

Adviser: Ms. Carman

French Club is open to all French students in grades 7-12 who wish to explore hands-on aspects of French culture. Refreshments provided. Members of the French Honor Society usually coordinate activities with input from club members. See Ms. Carman for more info.

Interact Club

Adviser: Ms. McCullen

Interact Club is a Rotary-sponsored youth service group that develops fellowship and leadership through community service events. See Ms. McCullen in Room 118 for more info.

Intramurals

Advisers: Mrs. Forte & Mr. Manny

Any student in grades 7-12 can put together a team to play after school during 10th period. Three Intramural sports seasons are offered (Fall/Winter/Spring). Intramural Sports offerings vary by year.

Jazz Ensemble

Adviser: Mr. Miller

Meets before school on Thursday mornings at 7:15. All members of the junior and senior band are eligible to join. If you are not in band, membership will be determined by audition. All members of Jazz Ensemble must be able to read music. Jazz Ensemble performs in regular school concerts, on the Dollars For Scholars Annual Cruise, and at various command performances throughout the year. See Mr. Miller (Room 218) with any questions you may have.

Junior High Art Club

Adviser: Mrs. Connolly

The Junior High Art Club is open to all students in grades 7-9 who are interested in creating arts and crafts. We will be using mediums and techniques that are not used in the 7th-grade art classes for many of the projects. Each month, a different theme will be selected. For example, candle-making, acrylic rock painting, and hand-made journal books will be anticipated themes that will be offered. To become a member, students should attend our first meeting in the fall.

Mock Trial

Adviser: Ms. Tallon

Are you passionate about the law, public speaking, or problem-solving? Mock Trial can be an extremely fulfilling activity to pursue. Mock Trial is a competition where students simulate a real trial. The trial concerns an official case that remains the same throughout the entire academic year. Open to students in grades 9-12.

Multi-Media Club

Adviser: Mr. Alecci

Media Club is made up of dedicated students who help produce many of the biggest school events. The club helps with Bravo, Talent Show, the School Musical, and many other special events throughout the year. Members learn to program and run lighting control modules, use microphones and mix sound for a variety of productions, and integrate technology for large presentations. Members are expected to be available for evening commitments.

Peer Mentoring

Adviser: Ms. Tallon

Peer Mentoring is a cross-aged, peer-to-peer mentoring program designed to align older high school students with 7th, 8th, and 9th-grade students to assist them with the transition to high school. Mentors will acquire leadership, intrapersonal, active listening, and sympathy/empathy skills by participating in this club. Open to students in grades 10-11. See Ms. Tallon for an application and to discuss all the great benefits of being a Peer Mentor.

Quiz Bowl Team

Advisers: Mrs. Elder & Mrs. Johnston

Do you like trivia? Are you competitive? Come find out about our school's Academic Quiz Team. This team is open to students in grades 8-12. Our team competes against other area high schools as part of the Post-Star Academic Bowl. The games are a little like Jeopardy matches, except four students at a time play as a team.

SADD

Adviser: Mr. Preuss

Students Against Destructive Decisions (SADD) is a group of students who want to make a difference in the lives of their friends and peers. We take on destructive issues and try to educate and encourage students to be healthy and safe. SADD is open to any student in grades 7-12 who cares enough. Come and join us!

School Newspaper: *The Lake Take*

Adviser: Mrs. Olson

The Lake Take is our student-created and operated school newspaper. We print our newspaper throughout the year, primarily in an electronic format. We would love to have you share your talents in writing, photography, layout, and/or design!! Our meetings are flexible, and we are always looking for new ideas. Share your voice today! See Mrs. Olson if you are interested.

Senior High Art Club

Adviser: Mrs. Connolly

Open to all students in grades 10-12 who want to explore fun projects such as darkroom photography, glass jewelry making, metal enameling, and painting. No experience is required. The club also participates in art-based community service projects and gallery visits throughout the year. See Mrs. Connolly in Room 210 to sign up or to get more information.

Senior Select Chorus: *The Vocal Chords*

Adviser: Mr. Alecci

You don't need to be in chorus to be in the Vocal Chords, but you do need to commit to coming to our rehearsals and be willing to perform in some community performances. Performances in previous years have been at the Great Escape, The Sagamore, The Hyde Collection, and yearly for the Rotary Club. This looks great on that college application. See Mr. Alecci for details.

Spanish Club

Adviser: Mrs. Cornell

Open to any Spanish student in grades 7-12 who would like to know more about Hispanic culture, such as food, music, dance, art, games, etc. See Mrs. Cornell or Mrs. Cooper for more information.

Spectrum

Adviser: Mr. Smith

Spectrum is a student-run club that supports young people in creating, strengthening, and sustaining our school environment as a safe and positive place for all. The focus of this club is to allow members to support each other, create awareness about diversity, and talk about issues related to sexual orientation and gender identity. This group of students may be involved in discussions and activities related to discrimination, harassment, and violence in schools.

Student Council

Adviser: Mrs. Canale

The Student Council is the student representative body of the school. It serves as a link between students and the administration, faculty, and the community. Student Council coordinates and approves student events, offers suggestions concerning school matters, and promotes student involvement within the school and community. Membership of the Student Council is through annual school-wide elections, which are held each May.

Technology Club

Advisers: Mr. Stroebe & Mr. Siletti

Technology Club is open to all High School Technology students. We will produce and sell items for our annual fundraiser. Proceeds are used to fund club functions and are also used to sponsor families in need through Operation Santa Claus. See Mr. Stroebe or Mr. Siletti for more information.

Varsity Club

Adviser: Mr. Manny

Varsity Club is a group of dedicated student-athletes who partake in various community service projects and fundraisers in the area, along with dedicating time and effort to improving our school's athletic standards. Our varsity athletes lead by example and always put forth significant effort. We take pride in athletic involvement and sportsmanship, both on and off the field.

Vex Robotics Club

Advisers: Mr. Stroebe (HS) | Mr. Siletti (MS)

The Vex Robotics Team was established in 2016. Students competing on the team are enrolled in Tech Ed electives and are looking to expand their engineering experience. The team has earned 21 awards in the last three years. See Mr. Stroebe or Mr. Siletti for more info.

Weightlifting Club

Advisers: Mr. Bennett & Ms. Bodette

The weight room opens for club use on Monday, Wednesday, and Friday during 10th period, starting after Thanksgiving break through the end of the school year. You must sign in when you use it, and you may come as often as you like or when your schedule permits. We offer training on the use of our equipment and will help you set up a personalized program tailored to your needs and goals.

Yearbook Club

Advisers: Ms. Smith

You will cherish many of your high school memories, so why not create something to help keep these years fresh in your memory? We are always looking for creative, hardworking individuals with interests in writing, photography, and design. For more information, see Ms. Smith.
