

### Lloyd Mott Cycling Scholarship 2026

The Adirondack Cycling Advocates (ACA) was formed under Mr. Lloyd Mott's leadership to provide safe and quality cycling in the Southeastern region of the Adirondacks. A key goal of our mission is to educate the area youth on cycling safety. Cyclists are vulnerable to dangers on the roads and trails, so it is essential that they take precautions for themselves and others around them.

This year the ACA is pleased to announce an annual \$2500.00 Lloyd Mott Cycling Scholarship for a deserving High School Senior attending a fully accredited 2 or 4 year college/university or a licensed Trade School. We feel this is an opportunity to recognize a student that shows a passion to make cycling in our region a safer sport and mode of transportation.

For this scholarship, please write an essay that will elaborate on the education around the dangers of cycling in an unsafe space and what more can be done to ensure the safety of cyclists. A recommendation on how to improve the safety of cyclists should be explained.

Essays will be judged using the following criteria:

- 1.) The essay is clearly written and provides an implementation plan for ACA to execute.
- 2.) The safety recommendation should be able to be implemented with a reasonable resource expenditure.
- 3.) The safety recommendation should impact a large geographic area.
- 4.) The safety recommendation should impact a diverse set of cyclists (age, type of bike, recreation or mode of transportation,...).

Mail the completed application by May 1, 2026 to:
