## Lake George Central School District

The Lake George Central School District, nestled amidst the breathtaking Adirondack Park and beside the “Queen of American Lakes,” is dedicated to fostering academic excellence, character development, and a lifelong love of learning. Our district is committed to providing a supportive and inclusive environment where all students can reach their full potential. Our schools are recognized for their high academic standards, innovative programs, and strong arts and athletics offerings. We are proud to be accredited by the New York Board of Regents and have been honored with prestigious awards, including “New York State’s Highest Achievement Reward School.” At Lake George Central School District, we believe in the power of education to transform lives. Our mission is to ensure that faculty, staff, students, and parents work together to share the responsibility for educating our students. We are committed to developing well-informed, productive, socially accountable world citizens who are equipped to meet the challenges of the 21st century.

## Lake George Elementary School

Lake George Elementary is a high-performing Pre-K-6 school serving approximately 300 students and is consistently ranked among the top elementary schools in the Capital District. The school has been recognized for its academic excellence and leadership culture, including being named a 2024 “Best” School by U.S. News & World Report, earning the 2024 Academic Honor Award from Franklin-Covey, and receiving designation as a 2019–2020 New York State Recognition School.

LGES is known for its strong leadership and character education program. Since 2019, the school has been recognized as a Leader in Me Lighthouse School, maintaining this distinction for six consecutive years. Leadership principles are embedded into daily instruction, and students are provided meaningful opportunities for voice, responsibility, and personal growth, reinforced through monthly school-wide celebrations.

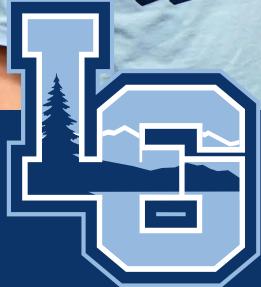

Instruction at LGES is built on collaboration, community, and responsiveness to student needs. Teaching teams work closely together at each grade level, creating strong relationships among students and staff. Daily WIN (What I Need) time ensures that all students receive targeted intervention or enrichment. The school offers a comprehensive special education program, including a highly effective integrated co-teaching model in which general and special education teachers partner throughout the day to support diverse learners in inclusive classrooms.

LGES emphasizes innovation and future-ready learning through a 1:1 technology environment, with iPads in Pre-K-4 and MacBooks in grades 5–6. All students participate in hands-on STEM learning, including coding, robotics, and engineering. A strong library media center and robust “specials” program—Art, Music (instrumental and vocal), High Potential/STEM, Physical Education, and World Language, ensures a well-rounded educational experience.
